Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Sewer Extension project at the Southwest Chaska Business Park in fiscal year 2022. The entity to receive funding for this project is City of Chaska located at One City Hall Plaza, Chaska, MN 55318. The funding would be used to fund necessary sewer and roadway costs to support the start of a private corporation business park development that, based on a market study, will provide 5,000 new living wage jobs in five years and 10,000 total new jobs in 10 years for the Twin Cities Metropolitan Area.

The proposed project will initiate development that will create living wage jobs where people live or want to live and reduce fuel consumption for longer commute times into the Twin Cities Metro area. This project will also aid in addressing inequities by creating living wage job opportunities for minority populations currently a part of our community. In addition, the project is part of a larger Southwest Chaska Growth & Development Plan that including a guiding goal to make more residential land available to reduce the price of land and initiate development of more affordable housing options.

I certify that neither I nor my immediate family has any financial interest in this project.

Please know that I appreciate your consideration of my requests and look forward to working with you as the appropriations process moves forward. If you have questions or require additional information, do not hesitate to contact my office.

Sincerely,
