Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Wellhead Treatment project in fiscal year 2022. The entity to receive funding for this project is the City of Dayton located at 12260 S Diamond Lake Rd Dayton, MN 55327. The funding would be used to provide treated water to residents of Dayton.

This project will provide treated water along the North end of Dayton where new development is occurring at a record pace. Funds would be used to add wellhead treatment to Well #4 to treat water that residents are using in their homes, the water is currently not treated and thus causing discoloration of residents homes and appliances along with taste issues for drinking at times. This project will ensure that the city's water supply is in compliance with the additional standards at the Minnesota Department of Health.

I certify that neither I nor my immediate family has any financial interest in this project.

Please know that I appreciate your consideration of my requests and look forward to working with you as the appropriations process moves forward. If you have questions or require additional information, do not hesitate to contact my office.

Sincerely,
