Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Manitou Rd Water Main Improvement project in fiscal year 2022. The entity to receive funding for this project is the City of Tonka Bay located at 4901 Manitou Rd, Tonka Bay, MN 55331. The funding would be used to replace the water main, valves, hydrants, fittings, and appurtenant work located within the CSAH 19 (Manitou Road) right-of-way in the City of Tonka Bay. It will also include restoration of the roadway and boulevard surfaces impacted by construction..

The benefits of this project include replacing a critical piece of water infrastructure that will restore reliable water service to all of the residents of Tonka Bay. Water main breaks on this line have impacted a majority of the residents of Tonka Bay in the last 5 years which has left them without water for extended periods of time while emergency repairs were made.

I certify that neither I nor my immediate family has any financial interest in this project.

Please know that I appreciate your consideration of my requests and look forward to working with you as the appropriations process moves forward. If you have questions or require additional information, do not hesitate to contact my office.

Sincerely,
