

HOW CAN AN IDEA MAKE AMERICA GREATER?

REPRESENTATIVE
Dean Phillips

IDEA 

Representation begins with listening. A bill idea can come from anyone, what's yours?

 **LEGISLATION**

After hearing from Minnesotans, my team and I write legislation. We've **introduced 47 bills, amendments, and resolutions** so far!

 **COMMITTEES**

Bills are reviewed and amended by committees. I serve on **4 committees**: Ethics, Foreign Affairs, Modernization, and Small Business, where I chair the Oversight Subcommittee.

 **COSPONSORS**

I build support for our bills and support bills authored by other Democrats and Republicans. I'm ranked the **12th most bipartisan member of Congress** for my voting record.

 **HOUSE AND SENATE**

Congress has two chambers that meet to debate and vote. Every state has two senators. The House has 435 voting representatives, allocated by population. I'm ranked the **most productive of Minnesota's eight representatives**.

 **PRESIDENT**

After a bill passes both the House and Senate, the President can sign it into law. **Two of my bills have become law.**

 **DARK MONEY**

Sometimes good ideas get blocked by the corrupting influence of special interests. I'm on a mission to return **power to the people**.

 **GRIDLOCK**

When members fail to compromise, legislation can't advance. As **Vice Chair of the Problem Solvers Caucus**, I'd like to see more bipartisanship in Congress.

 **DISINFORMATION**

Some politicians and special interests spread disinformation in pursuit of power. I choose **optimism and teamwork over fear and division**.
